2. Availability

- 2.1 Your Product Schedule will state which payment facilities are available with your account.
- 2.2 We will make reasonable efforts to ensure the availability of the payment facilities (including any electronic equipment within our control). If you discover any payment facility is unavailable, please contact us. You should have contingency plans in place in case of malfunction. However, subject to any warranties implied by law that cannot be excluded, we are not liable to you for any loss or damage (including without limitation losses or damages for loss of profits, business interruption, negligence or wilful conduct, loss of information, indirect, special, punitive or consequential losses or damages) arising out of or in connection with:

 - c. the failure of any payment facility (or more than one payment facility) to perform in whole or in part, any function which we have specified it will perform;
 - d. the unavailability of any or all payment facilities to you in whole or in part because of the failure of the communication network or any circumstance beyond our reasonable control;

- a. the resupply of the information or services to you (including the correction of any errors in your account); or
 - b. the payment of the cost of having the information or services resupplied to you.

- 2.5 If electronic equipment accepts your instructions on a transaction, we will be liable for any losses incurred if that transaction is not completed in accordance with those instructions due to a malfunction of the electronic equipment, provided the instructions were not otherwise in breach of your account's terms and conditions. However, if you are aware or had reason to suspect (immediately prior to using the electronic equipment) that the electronic equipment may not be functioning at all or correctly, then our liability to you is limited to correcting any incorrect entry in your account and the refund of any fees and charges debited to your account as a result of the incorrect entry.

Our current default limits are available at newcastlepermanent.com.au/daily-limits or by contacting us. Those limits may be reduced or increased on request by you (subject to any maximum limits or restrictions noted on the Payment Limits webpage). If you reset your daily limit above our default limits, this may increase your potential liability for any unauthorised transactions. If you have any concerns about what this may mean for you, please contact us.
- 5.2 We may vary the limits applying to your account at any time. For further details please see the clause entitled 'Changes' below.
- 5.3 For the purpose of daily limits, each day ends at 12 midnight Australian Eastern Standard Time or 12 midnight Eastern Standard Summer Time in New South Wales (whichever is applicable).

We may provide authorised users with information about your account.

If signatures of all joint account holders are required to operate your account, some restrictions to payment facilities may apply.
- 6.2 All terms and conditions of your account apply to an authorised user in the same way that they apply to you. However, you will be liable for all actions of an authorised user as if the authorised user was you. You should ensure that any authorised user has read the terms and conditions and complies with them. If the authorised user does not comply with the terms and conditions, you will be in default.
- 6.3 When an authorised user instructs us to carry out an action, or makes a transaction, we will act on the instructions of that authorised user. We are not required to verify any instructions received from an authorised user regarding the operation of your account. You are wholly liable for any loss or damage you or a third party suffers as a result of us acting upon the instructions of an authorised user. Some limitations may apply to the actions that can be carried out by an authorised user – contact us for further information.
- 6.4 You can arrange to have the authority of an authorised user revoked at any time if you are 14 years or over. If you want to revoke the authority of an authorised user, you must notify us. An authorised user can also make a request directly to us requesting that their authority is revoked. Once we accept instructions to revoke the authority of an authorised user, you will not be liable for losses resulting from any unauthorised use of any card or cheque book facility issued to that authorised user. You will still be liable for any transactions (including cheques) established by the authorised user prior to the revocation of their authority.

If following cancellation or suspension you want to continue to use a payment facility you may request to have that service reinstated (if the service is still available) by contacting us.

- 11.2 Subject to any other provisions of these terms and conditions and each account's separate terms and conditions, we will not be liable for or in connection with any inaccuracy, errors or omissions in that information because of the communications network or any other circumstances beyond our reasonable control.

12. Confidentiality

- 12.1 We will take reasonable steps to maintain the confidentiality of your account and personal details or other personal information. However, there may be circumstances when we are obliged to disclose your account details, e.g. when you have given us your consent to do so, when the law compels us to disclose your account details or when you have, by your conduct (but without actually telling us), released us from our duty to maintain the confidentiality of your account details.

13. Inconsistency

- 13.1 If there is any inconsistency between this document and any other terms and conditions governing your account, any terms and conditions specifically drafted with respect to the specific product prevail. As such to the extent of any inconsistency between these terms and conditions and your Product Schedule the terms of your Product Schedule will prevail. If there is any inconsistency between these terms and conditions and any conditions applying to your account (other than your Product Schedule) if the inconsistency relates to an access method or payment facility these terms and conditions will apply to the extent of the inconsistency, otherwise the terms of the other terms and conditions relating to your account will prevail with respect to any inconsistency not relating to an access method or payment facility.

14. Miscellaneous

- 14.1 You must provide us with your current email address and telephone number (as applicable). You must advise us as soon as practicable if your email address or telephone number changes, or if your telephone is lost or stolen. You can advise us of these things by visiting a branch or calling 13 19 87.
- 14.2 This document is governed by laws of New South Wales. We will comply with all applicable laws.
- 14.3 If we do not exercise a right or remedy fully or at any given time, we can still exercise it later.
- 14.4 We can decide, at our discretion acting reasonably and in accordance with any laws, the order in which payments will be processed.
- 14.5 Subject to the requirements of any law, notices and communications by us may be:
- given to you personally or left at:
 - any address specified by you;
 - (if you are an individual) your residential or business address last known to us; or
 - (if you are a body corporate) your registered office; or
 - sent by post to any of the places specified in a. above; or
 - given by any other means permitted by law.

Where the law allows it we may communicate with you electronically. Examples of electronic communication include us sending you emails at an email address you have supplied or a SMS to a mobile number you have provided, displaying information on the screen when you log into internet banking, via a mobile banking application (including by push notification) or other similar methods. If you have any concerns about what this may mean for you, please contact us.

- 14.6 You must give us any information or documents we reasonably request at any time to identify you or any person authorised to operate your account. You authorise us to take reasonable steps to check the authenticity of any such information or documents that you give to us.
- 14.7 Reasonable enforcement expenses may become payable if you breach the terms of this document. Any reasonable expenses we incur in recovering our debt will be payable by you
- 14.8 Nothing in this agreement has the effect of excluding, restricting or modifying rights in the *Australian Securities and Investment Commission Act 2001* or *Competition and Consumer Act 2010*, which cannot be excluded, restricted or modified by agreement. If your account is of a kind not ordinarily acquired for personal, domestic or household use or consumption, our liability is restricted to resupplying the services or the cost of resupplying the services.
- 14.9 Part or all of any provision of these terms and conditions that is illegal or unenforceable may be severed from the terms and conditions. If this occurs, the remaining provisions of the terms and conditions will remain enforceable.
- 14.10 We may at any time assign, novate or otherwise deal with our rights and obligations under these terms and conditions in any way we wish. We may disclose any information or documents we consider desirable to help us exercise this right. We may disclose information or documents at any time to a person to whom we assign our rights under these terms and conditions.

- 14.11 To the extent that the National Credit Code applies to these terms and conditions and:
- a. that Code would otherwise make a provision of these terms and conditions illegal, void or unenforceable; or
 - b. a provision of these terms and conditions would otherwise contravene a requirement of that Code or impose an obligation or liability which is prohibited by that Code, the terms and conditions are to be read as if that provision were varied to the extent necessary to comply with that Code or, if necessary, omitted.
- 14.12 You authorise us to debit to your account any amount that under these terms and conditions:
- a. you are liable for;
 - b. we are entitled to debit to your account; or
 - c. you have to pay us.

If a dispute is raised in accordance with our dispute resolution procedures, we may reverse any disputed charge as though the charge never applied to the account.

- 14.13 If you hold an account jointly, you agree that if the applicable laws permit, we may provide information or correspondence regarding the account (including but not limited to statements, notices, transaction confirmations or receipts) to all of the account holders, or only some (or one) of the account holders as agent for all other joint account holders, at the address recorded on file. If we provide information or correspondence to some (but not all) of the account holders, all account holders will be deemed to have received the information or correspondence provided by us.

Section C: Securing your payment facilities

15. Your codes

- 15.1 We will give you a member number, access code and/or PIN for using some of the payment facilities. We will also allow you to use an electronic device to use some of the payment facilities. You may receive different access codes and PINs for different payment facilities, and you may receive these codes at different times (for example when you register for internet banking or when you obtain your card).
- 15.2 Your codes and your devices enable:
- a. you to use the payment facility linked to each code; and
 - b. us to identify you.
- 15.3 **Procedure relating to access codes only:** If you register for internet banking, you will need to access and activate the facility. For your protection, we may issue you a temporary code to do this. You can access the facility immediately after receiving your access code. For the purpose of registering to use a banking application, the access code will be the same as the access code you select for internet banking. You must be registered for internet banking before you can use a banking application. When you access a banking application for the first time, you will be required to choose an access code which you can use to access the banking application each subsequent time.
- 15.4 **Procedures relating to PINs only:** We provide you and any additional cardholder the convenience and security of being able to personally select your PIN via internet banking or the banking application. You can also change your PIN once set via internet banking, the banking application or at one of our ATMs. In certain circumstances we may issue cardholders with a PIN, however this is generally only upon request. For your security, we strongly recommend that you and additional cardholders select a PIN that you can remember and do not record it anywhere. Should you wish to request a PIN to be issued to you via mail you can do so by calling us on 13 19 87, by visiting a branch or by sending a message via internet banking.
- 15.5 We are authorised to act on all instructions given to us where your member number and codes are correctly provided to us, or where your device has been presented, and you are liable for all such transactions.
- 15.6 We may require you to use an additional authentication process when you instruct us to make payments on your behalf using internet banking. This requirement is in addition to any member number and code or other information you must enter when providing instructions using internet banking. Further information about this process is set out in this document.
- 15.7 We may record and retain, in accordance with the ePayments Code, the details of transactions which you effect using the payment facilities. We may use these records to, amongst other things, establish or verify that a particular transaction was effected through the use of your codes.

16. Security of cards and codes

16.1 Ensuring the security of your card, and codes, and device, (as well as the card, codes and device of any authorised users) is very important. You must make every effort to see that your card, and any record of your codes, or device is not misused, lost or stolen. If you or an authorised user fails to observe the security requirements set out in this document you may be held liable for any unauthorised transactions.

17. Your obligations

17.1 You must:

- a. keep secure and protect your devices, codes, member number and confidential identification details. You must keep details of these separate from each other;
- b. not disclose your codes, or make them available to any other person (including a family member, friend or one of our staff);
- c. use care to prevent anyone else seeing or hearing your codes at any time including at an ATM, while using eftpos or when you enter your details into a telephone or computer;
- d. not be careless in failing to protect the security of your devices, codes, member number or card;
- e. sign your card as soon as you receive it;
- f. not record your codes (or your disguised codes) on your card or any article normally carried with your card or device or which is liable to loss or theft with your card or device;
- g. if a device is not needed to perform a transaction, not keep a written record of any codes needed to perform a transaction on one or more articles liable to be lost or stolen simultaneously (unless you have made a reasonable attempt to disguise the codes);
- h. always keep your device and card in a secure location;
- i. check regularly that you have your card and device;
- j. not leave your device or card with a merchant or in an ATM;
- k. not permit any other person to use your card or device;
- l. log off from internet banking when you are finished an internet banking session;
- m. if using a public computer or mobile device to access internet banking you must clear the computer or device cache or history after you use internet banking;
- n. destroy any expired card; and
- o. not act with extreme carelessness in failing to protect the security of your devices, card and access codes.

18. Protecting your codes

- 18.1 We give you the option of selecting your codes.
- 18.2 We strongly advise you to select codes that you can remember without needing to make a written record of the code or anything which reminds you of it.
- 18.3 You must not select a code that represents your date of birth or a recognisable part of your name. If you do so, you may be liable for any unauthorised transactions.

- 18.4 In addition, you should not select or disguise your codes using any of the following combinations (or parts of them):
- a. telephone numbers relating to you (including your mobile or work number);
 - b. car registration numbers;
 - c. family members' names;
 - d. social security numbers; or
 - e. licence numbers.

- 18.5 You must make a reasonable attempt to protect the security of your code(s). This means you should not:
- a. disguise your code by reversing the number sequence;
 - b. record your disguised code on your card;
 - c. describe your disguised record as an "access code", "password", "PIN", "record" or similar;
 - d. disguise your code using alphabetical characters or numbers: A = 1, B = 2, C = 3, etc or in any other manner which would be reasonably recognisable; or
 - e. store your access code in any low security electronic device of any kind, such as (but not limited to):
 - i. calculators;
 - ii. personal computers;
 - iii. electronic organisers; or
 - iv. all kinds of telephones.

18.6 There may be other forms of disguise which may also be unsuitable because of the ease of another person determining your access code.

18.7 You must exercise extreme care if you decide to use a memory aid for your access code.

18.8 Your liability for losses resulting from unauthorised transactions will be determined by the ePayments Code, rather than any guidelines provided by Newcastle Permanent.

19. Additional cardholders

19.1 Additional cardholders have the convenience and security of being able to personally select their own PIN via internet banking or the banking application. They can also change their PIN once set via internet banking, the banking application or at one of our ATMs. In certain circumstances we may issue cardholders with a PIN, however this is generally only upon request. Should they wish to request a unique PIN to be issued via mail they can do so by calling us on 13 19 87, by visiting a branch or by sending a message via internet banking. You must ensure that each additional cardholder securely protects their card and PIN as set out in these terms and conditions. Additional provisions may be contained in the Terms and Conditions relating to your applicable product.

20. Lost or stolen card or codes

- 20.1 You or any other authorised user must notify us as soon as possible if:
- a. your codes or card are lost or stolen;
 - b. you or an authorised user suspects that a code has become known to someone else; or
 - c. you or an authorised user suspects any unauthorised use of a card, code or registered account.

- 20.2 You may notify us in Australia by telephoning our hotline on 13 19 87, by visiting a branch or by sending a message via internet banking. In the case of a Visa card, if you are overseas, please telephone or visit any bank displaying the Visa sign.
- 20.3 If you do not notify us of a lost or unauthorised use of a code or card as soon as possible, you may be liable for any unauthorised transactions. Liability for unauthorised transactions is set out in the section 'Liability for unauthorised transactions'.
- 20.4 Certain classes of third parties may also report your card as lost or stolen. These third parties may include Visa, other financial institutions and First Data Resources Australia Limited ACN 002 603 830 who provide support services to us. If your card is lost or stolen and you are unable to contact us yourself we may also accept a report from a third party known to you that your card has been lost or stolen. Please contact us for further information.
- 20.5 You must give us all relevant information you may have about the loss, theft or unauthorised use/knowledge of a card or code so that we can suspend access to your impacted accounts.
- 20.6 When you report the loss, theft or unauthorised use/knowledge of a card or code, we will give you a notification number (or other form of acknowledgment). You should retain that number as confirmation of your report, and the date and time it was made.
- 20.7 In Australia, if you are unable to contact us because our facilities are unavailable at particular times, you will not be liable for any unauthorised transactions made which may have been prevented if you were able to contact us. However, you must continue to attempt to contact us so that we can be made aware of the loss, theft or unauthorised use/knowledge of a card or code within a reasonable time of our unavailable facilities becoming available again.
- 20.8 Any unreasonable delay in notifying us of the loss, theft or unauthorised use/knowledge of a card or code may mean you are liable for some or all of the loss incurred as a result of unauthorised access or transactions made using your card or codes.
- 20.9 If a card which has been reported lost or stolen is recovered, it must not be used again and must be destroyed.
- 20.10 You can also use internet banking to restrict access to a card if it has been lost, stolen or you suspect any unauthorised use of the card has occurred.

21. The security of your cheques and cheque book

- 21.1 You must keep your cheque book and all unused cheques in a safe place at all times to prevent possible loss, theft, misuse, forgery, fraud or unauthorised use of your personal cheque facility.
- 21.2 It is important that you keep your cheque book separate from any plastic cards or other material that bears your signature. You must not sign blank cheques.
- 21.3 You must notify us as soon as possible of the loss, theft, misuse or unauthorised use of any cheque or your cheque book, or if your cheque book is destroyed. You may notify us in Australia by contacting us on 13 19 87, by visiting a branch or by sending a message via internet banking. If you do not advise us or delay

unreasonably in advising us that a cheque or cheque book is lost or stolen, misused or destroyed, other people may be able to withdraw money from your account without your permission. If you fail to notify us and someone uses your cheque or cheque book to withdraw money from your account you may be liable. Your liability will be determined in accordance with the section 'Liability for unauthorised transactions'

22. Security of your passbook

- 22.1 Your passbook should be safeguarded from theft or unauthorised use. Under no circumstances should you keep a visible record of your signature with your passbook. This includes signed withdrawal forms or cards containing your signature.
- 22.2 You must notify us as soon as possible of the loss, theft, misuse or unauthorised use of your passbook, or if your passbook is destroyed. You may notify us in Australia by telephoning our hotline on 13 19 87, by visiting a branch or by sending a message via internet banking. If you do not advise us or delay unreasonably in advising us that a passbook is lost or stolen, misused or destroyed, other people may be able to withdraw money from your account without your permission. If you fail to notify us as soon as possible and someone uses your passbook to withdraw money from your account you may be liable. Your liability will be determined in accordance with the section 'Liability for unauthorised transactions'.
- 22.3 If an unauthorised ePayment transaction is made on your passbook account, without your knowledge or consent, liability for that transaction will be determined in accordance with the section 'Liability for unauthorised transactions'. Otherwise, we are not liable for any amount withdrawn from your account until you tell us that your passbook has been stolen, mislaid or lost.

Section D: Liability for unauthorised transactions

23. Part application

- 23.1 This section does not apply to unauthorised transactions on a business account. This section sets out what happens if unauthorised transactions occur with respect to your account using the payment facilities, excluding any non-electronic payment facility including the personal cheque facility and passbooks. You are liable in full for unauthorised transactions occurring on your business account, personal cheque facility and passbook up until the time that you notify us of a breach of security of your account or code.
- 23.2 If there is any inconsistency between this section and any term of any applicable card's terms and conditions, the terms of the card's terms and conditions apply to the extent of any inconsistency.
- 23.3 Special rules may apply to BPAY – please see the section entitled 'BPAY'.

24. Liability

- 24.1 In accordance with the ePayments Code, you will not be liable for losses arising from unauthorised transactions:
- caused by the fraudulent or negligent conduct of our employees or agents or companies involved in networking arrangements or a merchant or their employees or agents;
 - resulting from unauthorised ePayment transactions where it is clear that you have not contributed to the loss;
 - that arise from ePayment transactions which required the use of your card or codes and that occurred before you received your card or codes;
 - resulting from unauthorised ePayment transactions occurring after you have given us notice of a breach of security of a payment facility;
 - arising because the card or codes are forged, faulty, expired or cancelled;
 - that are caused by the same transaction being incorrectly debited more than once to the same account; or
 - that can be made using your member number, card number or account number without your card, PIN or access code (as applicable).
- 24.2 You will be liable where we can prove on the balance of probabilities that you contributed to the losses caused by unauthorised transactions because:
- you acted fraudulently; or
 - you breached the requirements of the section in this document entitled 'Securing your payment facilities'.
- In these cases you will be liable for the actual losses which occur before we are notified of an unauthorised transaction or breach of security, but you will not be liable for any of the following amounts:
- the portion of the losses incurred on any one day which exceed the applicable daily transaction limit(s) or periodic transaction limits;
- 24.3 Where we can prove on the balance of probabilities that you have contributed to the losses caused by an unauthorised transaction because you unreasonably delayed in notifying us that:
- your codes or card have been lost, stolen or misused; or
 - your codes have become known to someone else,
- you will be liable for the actual losses which occur between when you became aware of the possibility of an unauthorised transaction being performed and when we were actually notified, but you will not be liable for any of the following amounts:
- the portion of the losses incurred on any one day which exceed the applicable daily transaction limit(s) or periodic transaction limits;
 - the portion of the total losses incurred on any account which exceeds the balance of that account (including any pre-arranged credit);
 - all losses incurred on any accounts for which it had not been agreed could be accessed using the relevant payment facility; or
 - any losses incurred as a result of you disclosing, recording or storing a code in a way that is recommended by us such as when you provide your code to an aggregator service or store your codes in an electronic wallet.
- 24.4 Where your codes were required to perform the unauthorised transaction and clauses 24.1 to 24.3 do not apply, you will be liable for the lesser of:
- \$150;
 - the balance of your account (including any pre-arranged credit); or
 - the actual loss incurred at the time we are notified (where relevant) of the breach of security excluding the portion of the losses incurred on any one day which exceed any applicable daily transaction or other periodic transaction limit(s).
- 24.5 If more than one code is required to perform a transaction and we can prove that you breached requirements of the section in this document entitled 'Securing your payment facilities' for one or more of the codes (but not all the codes), you will be liable as specified in clause 24.2 above if we can prove that the breach was more than 50% responsible for the losses being incurred (when assessed together with all the contributing causes).
- 24.6 You will be liable for any losses incurred as a result of you leaving your card in an ATM if the ATM had reasonable safety measures in place to mitigate the risk of a card being left behind.

25. Authorised users

- 25.1 This section applies to authorised users as if they were you. This means that you may be liable if an authorised user contributes to a loss as set out in this section.

26. Liability under Visa – Visa card scheme rules

- 26.1 Despite anything else in this section, if you notify us of an unauthorised transaction on your Visa card, we will not hold you liable for an amount greater than the liability you would have had, if at the time the notification was made, we exercised our rights under the rules of the Visa card scheme.
- 26.2 You should keep all vouchers and transaction records you are given from merchants, financial institutions and electronic equipment and check that the details of these records are correct.
- 26.3 The date appearing on your transaction record may not be the transaction date shown on your statement because transactions completed on non-business days or after 4pm may be processed on the next business day.
- 26.4 You should tell us promptly if you think there is an error, discrepancy or unauthorised transaction in your statement. If you delay telling us it may limit our ability to resolve any subsequent complaint. If you do not tell us within 120 days from the date of the transaction date then we may lose our chargeback rights. If you tell us after this time and we cannot chargeback the transaction you may still be liable for that transaction.

27. Card transactions without PIN

- 27.1 If your card is lost or stolen, you will be liable for any cash withdrawals or purchases by any unauthorised person using your card without a PIN but with a signature, or without either a PIN or a signature, if you unreasonably delay reporting your card as lost or stolen to us. If you unreasonably delay notifying us of the loss or theft, your liability will be governed by clause 24.

28. Mistaken internet payments

- 28.1 This section sets out what will happen if you report to us that a withdrawal to one or more of your accounts made by you was a mistaken internet payment. This section also outlines what happens where you receive a mistaken internet payment.
- 28.2 You can report a mistaken internet payment by contacting us.
- 28.3 If you report the mistaken internet payment within 10 business days of making the payment and:
- we are satisfied that a mistaken internet payment has occurred; and
 - there are sufficient credit funds available in the account of the unintended recipient to the value of the mistaken internet payment;

then:

- we will request that the receiving bank return the funds to us. If the receiving bank is satisfied that a mistaken internet payment has occurred, they are required to return the funds to us within 5-10 business days.

Once we have received the funds back from the receiving bank, we will return the funds to your account as soon as practicable.

- 28.4 If you report the mistaken internet payment between 10 business days and 7 months of making the payment and:
- we are satisfied that a mistaken internet payment has occurred; and
 - there are sufficient funds available in the account of the unintended recipient to the value of the mistaken internet payment;
- then:
- we will request that the receiving bank investigate the reported mistaken internet payment. If the receiving bank is satisfied after their investigation that a mistaken internet payment has occurred, and the mistaken recipient fails to establish that they are entitled to the funds within 10 business days, then the funds must be returned to us within 2 business days of the expiration of the 10 business days.

Once the receiving bank has finalised their investigation and we have received the funds back from the receiving bank, we will return the funds to your account as soon as practicable.

- 28.5 If you report the mistaken internet payment after 7 months of making the payment and:
- we are satisfied that a mistaken internet payment has occurred; and
 - there are sufficient funds available in the account of the unintended recipient to the value of the mistaken internet payment;
- then:
- we will report the mistaken internet payment to the receiving bank, and ask them to seek the consent of the mistaken recipient to return the funds to you; and
 - if the mistaken recipient consents, the receiving bank must send the funds back to us.

Once the receiving bank has finalised their investigation and we have received the funds back from the receiving bank, we will return the funds to your account as soon as practicable.

- 28.6 If you report a mistaken internet payment at any time but the receiving bank is not satisfied that a mistaken internet payment occurred, the receiving bank may still seek the consent of the mistaken recipient to return the funds to you. If the receiving bank receives consent, they may send the funds back to us in which case we will then return the funds to you as soon as practicable.
- 28.7 If you report a mistaken internet payment at any time but sufficient funds are not available in the account of the mistaken recipient, the receiving bank must use reasonable endeavours to retrieve the funds from the mistaken recipient (e.g. by facilitating repayment by instalments).
- 28.8 If at any time you report a mistaken internet payment but we are not satisfied that a mistaken internet payment occurred: we are not required to take any further action, however we may ask the receiving bank to investigate. You are liable for the loss arising from the mistaken internet payment.
- 28.9 Where the mistaken recipient is receiving income support payments from Centrelink, the receiving bank must recover the funds from the mistaken recipient in accordance with the Code of Operation for Centrelink Direct Credit Payments.

- 28.10 We will always inform you in writing of the outcome of our investigation into the reported mistaken internet payment within 30 business days of the report being made.
- 28.11 If you receive a mistaken internet payment into your account and we are required to send the funds back to the payer's account, you authorise us to withdraw the funds from your account and return these to the payer's account. Where sufficient funds are not available in your account, we may deduct any amount up to your available balance and send that amount to the payer's account. We will also use reasonable endeavors to retrieve the remaining funds from you.
- 28.12 You can complain to us when we are not satisfied that a mistaken internet payment has occurred or where you are not satisfied that we have complied with the processes and timeframes set out in this document. If you complain:
- we will deal with the complaint under our internal dispute resolution procedures in clause 10 of this document;
 - we will not require you to complain to the receiving bank;
 - if you are not satisfied with the outcome of your complaint, you can complain to our external dispute resolution scheme; and
 - we and the receiving bank must cooperate with the decision of the external dispute resolution scheme.
- If you require details about our external dispute resolution scheme please contact us.

Section E: Cards

This section applies if you have a card attached to your account – see applicable Product Schedule.

The issue of a card is subject to our approval. We may conduct a credit check before this facility is made available to you.

If you are under 14 years of age we may require a parent or legal guardian to sign a consent form stating that you can obtain a cashcard, in which case you will be able to use the cashcard without the consent of your parent or legal guardian. If your parent or guardian will not consent to you obtaining a cashcard, a cashcard cannot be obtained for the account.

You must be 14 years of age or over to apply for a Visa Debit card. For further information about Visa credit cards refer to your credit card account's terms and conditions.

29. About your card

- 29.1 Your card acts as a "key" to allow you to access your account electronically. This means you have access to your money away from our branches.
- 29.2 If your card is a debit card, you must have sufficient available funds in your account (or have sufficient funds available under your credit facility) to cover each transaction.
- 29.3 Each card is to be used solely by the person whose name appears on the card.
- 29.4 The card is only valid from the "valid from" date (when shown or, if not shown, the issue date) to the "until end" displayed on the card.
- 29.5 You must sign your card as soon as you receive it and ensure that any additional cardholder also immediately signs his or her card. A card may not be accepted for use unless it has been signed.
- 29.6 Each card we issue remains our property.
- 29.7 We may retain or require you to destroy your card at any time. If we ask you to destroy a card, you must cease using the card and take reasonable steps to ensure it is destroyed. If we issue a replacement card to you, you must not use the card it replaces but you remain liable for any use of the replaced card.
- 29.8 We may issue a replacement card at any time. Fees may apply.
- 29.9 Subject to further terms and conditions outlined below, your card can be used in the following ways:

Using your Card	Cashcard	Visa Debit card	Visa Credit card

29.10 Your Visa card will be subject to the Visa account updater service (VAU). Under this service, if a merchant approved by Visa has an authority to draw on your Visa card and the Visa details that they have been provided with have changed, the qualified merchant enrolled in VAU through their acquirer will be able to contact Visa and obtain the updated details we provide to Visa, unless you have advised us that your old card has been lost or stolen. VAU helps maintain the continuity of payment relationships for cardholders and merchants by reducing the opportunity to switch payment methods or cancel services when account information changes. VAU may also support an issuers use of Visa's other services. It is not possible to opt out of this service. If you have concerns about what this may mean for you, please contact us.

30. Using your card to obtain goods and services

30.1 At a merchant

You can normally use your card to obtain goods and services at merchants (such as shops, restaurants and theatres) in Australia and overseas where the card logo is displayed, as follows:

- all cards can be used in Australia;
- cashcards can be used only where the eftpos and cashcard logos are displayed;
- Visa cards can be used throughout the world where Visa cards are accepted; and
- contactless-enabled cards can be used at participating merchants.

The fact that the card logo is displayed at a merchant's premises does not mean that we guarantee:

- the hours which a terminal will be available (these hours may vary in accordance with the merchant's trading hours);
- that the merchant will accept your card;
- that the merchant will allow cash withdrawals; or
- that the merchant will not place other limitations on the use of your card.

Contactless transactions may be automatically processed through Visa or through eftpos. If the transaction is processed through eftpos, you may incur an eftpos Transaction Fee as set out in the applicable Product Schedule.

If you have concerns about what this may mean for you, please contact us.

30.2 Through mail order, by telephone or using the internet

You can use your Visa card to obtain goods and services through mail order, by telephone or by using the internet, where the merchant accepts that form of payment.

A purchase from a merchant is a legal transaction between you and that merchant, and the merchant is usually responsible for providing the goods or the performance of the services. We are not responsible for goods or services obtained by you using your card, unless the law makes us liable. Therefore, if you have any complaints about goods or services, you must take them up with the merchant. If you are unable to resolve the matter with the merchant you may have chargeback rights.

30.3 **When a merchant places a “hold” on funds in your account**

Sometimes a merchant will require the details of your Visa card before you make a purchase.

For example, a hotel might require you to hand over your Visa card at the beginning of a stay as security for the cost of your accommodation. When this happens, the hotel will normally take an electronic swipe of your Visa card and then return your card to you. The electronic swipe will confirm to the hotel that you have sufficient available funds in your account to cover the cost of your stay.

This does not amount to a transaction; however a “hold” will be placed on funds in your account up to that amount. You will not be able to access those funds until the “hold” is removed. When a transaction for this amount is processed, the “hold” will be removed. If, for example, at the end of your stay you choose to pay with cash instead of your Visa card, or the amount of your bill is greater or lesser than the amount over which the hotel has placed a “hold”, the “hold” may not be removed and you may not be able to access all of the funds in your account. You may be prevented from accessing those funds over which the hotel has placed a “hold” for a period of up to 14 days.

Unfortunately, we cannot always cancel a “hold” that has been placed on funds in your account. However you may cancel the “hold” by:

- a. performing a transaction with that merchant for an equal amount; or
- b. asking the merchant at the time you perform the transaction to remove the “hold”.

For further information, please contact us.

30.4 **Authorisation**

You must check that the correct amount is entered in a terminal or written in the “total” box on a voucher before you authorise the transaction or sign the voucher.

31. Using your card to obtain cash withdrawals

- 31.1 You can obtain cash from your account at any of our branches up to your withdrawal limits, by presenting your card at the counter and completing a withdrawal form.
- 31.2 You can also use the card in combination with your PIN to obtain cash from any of our ATMs, most foreign ATMs and through eftpos (where the merchant agrees to allow you to withdraw cash).
- 31.3 If you have a Visa Debit card, you may also be able to obtain cash from your account by presenting your card at a branch of some other financial institutions or at ATMs throughout the world displaying the Visa sign. A Visa Cash Advance Fee may apply. The current amount of this fee is set out in the applicable Product Schedule. In addition, you may be charged a fee by the other financial institution or terminal owner at the time of the cash withdrawal. Any fee charged should be advised by the other financial institution at the time of the cash withdrawal and will be charged to your account at the time of the transaction and included in the total cash advance amount printed on your statement.
- 31.4 If you have a Visa Credit card, you and an additional cardholder may also be able to obtain cash from your credit

card account by presenting your cards at a branch of some other financial institutions or at ATMs throughout the world displaying the Visa sign. A Cash Advance Fee may apply. The current amount of this fee is set out in the applicable Product Schedule. In addition, you may be charged a fee by the other financial institution or terminal owner at the time of the cash withdrawal. Any fee charged should be advised by the other financial institution at the time of the cash withdrawal and will be charged to your account at the time of the transaction and included in the total cash advance amount printed on your statement.

- 31.5 When obtaining cash at a branch of a financial institution, you may be required to produce suitable identification which identifies the holder of the card (such as a photographic driver's licence or passport).
- 31.6 The minimum amount of cash you can obtain using the card may vary depending on which financial institution or ATM terminal you use.
- 31.7 We do not warrant that ATMs will always have money available.
- 31.8 If you have a Visa Credit card additional terms may be imposed by the credit card account's terms and conditions that you receive with your Visa Credit card.

32. Vouchers

- 32.1 You agree that the amounts shown on each sales voucher and withdrawal slip are sufficient evidence of the purchase price of the goods or services to which the voucher or withdrawal slip relates. You should check the amounts appearing on the voucher or withdrawal slip when you receive it. You should notify us as soon as possible if you disagree with the amount shown

33. Using a terminal

- 33.1 When a cardholder or an additional cardholder uses a PIN and/or card at a terminal (which includes using your Visa card only through the Visa easy payment service or a card at a contactless terminal), you authorise us to act on the instructions entered into the terminal.
- 33.2 Once money has become physically available to you or an authorised user from a terminal, its security is no longer our responsibility.

34. How we process transactions if you use your card outside Australia

- 34.1 Our Visa cards can be used to obtain cash or purchase goods or services in local currency at most overseas terminals displaying the Visa logo – see the applicable Product Schedule to determine whether a Visa card is available for your account.
- 34.2 Transactions are converted from the currency of the transaction to the Australian dollar equivalent or to United States dollars then to the Australian dollar equivalent, as at the date they are processed by Visa International at rates determined by Visa International. This amount plus any charges will then be debited to your account. If applicable, the current amount of the Foreign Currency Conversion Fee is set out in the Product Schedule for the applicable account.

- 34.3 All international transactions are listed on your statement in the currency of the transaction and the Australian dollar equivalent.
- 34.4 Some merchants may display the price of a purchase in Australian dollars, despite still charging a cardholder for the purchase in foreign currency. When this is the case, the transaction must still be converted to Australian dollars as mentioned above before the amount of the purchase is debited to the relevant card account. You will be charged a fee in connection with a transaction in a currency other than Australian dollars, including any transaction displayed in Australian dollars but charged in a foreign currency. For more information, see the applicable Product Schedule.

35. Using foreign ATMs

- 35.1 The financial institution that owns the foreign ATM can determine from time to time what transactions can be carried out using their ATMs and can also impose cash limits on their ATMs. You should check with the financial institution that owns the ATM if you have any questions about the transactions available and if any cash limits apply.
- 35.2 We do not accept any responsibility for an operator of a foreign ATM imposing restrictions or conditions on the use of that ATM including any fees.

36. Authorising a transaction

- 36.1 Some transactions require authorisation from us. We can refuse to authorise a proposed transaction:
- if the transaction exceeds the cleared funds in your account or honouring the transaction would mean the balance of your account will exceed your credit limit;
 - if your card has been reported lost or stolen; or
 - for any other reason we consider necessary to protect our interests (in some cases these decisions may be made by our computer systems, applying business rules that are intended to prevent losses to us, our members, or others).
- 36.2 You authorise us to give necessary information to other persons for the purpose of authorising transactions.
- 36.3 You authorise us to debit your account with the amount of any purchases or cash advances and any associated fees and charges made and any other transactions made using your card or any additional card.

Section F: Internet banking

Please note: References to “internet banking” include our banking apps for mobile devices.

37. Internet banking

- 37.1 You can use internet banking to obtain information on your registered accounts and to transfer money between accounts. Depending on the type of account you have, restrictions on the internet banking facilities available to you may apply – see applicable Product Schedule.
- 37.2 We are authorised to act on instructions received using internet banking using your member number and access code and you are liable for such instructions.
- 37.3 Our Terms and Conditions for Business Accounts have separate rules for operating those accounts through internet banking.

38. Your registered accounts

- 38.1 The terms and conditions for each registered account specify certain matters for that registered account such as:
- minimum amounts for a deposit or withdrawal;
 - when transactions may be debited or credited to your account; and
 - when the balance of your account, the undrawn amount of any credit facility or any amount available for redraw, will be available to use through a payment method such as internet banking.

39. Applying for internet banking

- 39.1 You can request to access internet banking by contacting us. Approval of a request is at our discretion. To access an application issued by us via our internet banking service, you must first be registered for internet banking.
- 39.2 If your application for internet banking is approved, your accounts will be accessible via internet banking with full access unless you request otherwise. The applicable Product Schedule for each account will set out any limitations or restrictions regarding the payment facilities.
- 39.3 Where more than one person is required to authorise transactions on an account, full access to internet banking is not available and ‘view only’ access is all that will be available.
- 39.4 Subject to any restrictions set out in the relevant Product Schedule for each registered account and these terms and conditions, you may be able to authorise one or more persons to:
- access information on your registered account(s) by allowing them view only access; or
 - transact on your registered account(s) by allowing them full access, via internet banking.

You can arrange this by contacting us. We do not have to agree to your request. If approved, we may issue that person with the requested means to access internet banking. You may request us to cancel this authority at any time by contacting us. An authorised user registered to use internet banking can also make a request directly to us requesting that their authority is

revoked. You consent to us giving an authorised user registered to use internet banking information about your account.

- 39.5 When you or an authorised user registered to use internet banking instructs us to carry out an action or make a transaction using internet banking, we will act on the instructions of that person. You are wholly liable for any loss or damage you or a third party suffers as a result of us acting upon those instructions. Some limitations may apply to the actions that can be carried out by an authorised user registered to use internet banking – contact us for further information.

40. Services available using internet banking

- 40.1 You can find out information about our internet banking services by visiting our website at newcastlepermanent.com.au

41. Authentication process

- 41.1 We may require some internet banking services and functions including, but not limited to, BPAY® payments and internet banking transfer payments to be authenticated using a password, access code or other authentication method.
- 41.2 You may be required to provide your current mobile telephone number as part of the authentication process. You must keep us up to date with your current mobile telephone number if this is the case. If you choose not to register or don't provide us with a current mobile telephone number, some internet banking services and functions may no longer be available to you.
- 41.3 Once you are registered, you may be asked during an internet banking session to authenticate a service or function using this facility. If this occurs, then you will be provided with instructions that you will be required to follow to access the service or function requested.
- 41.4 The authentication process is used to confirm the service or function initiated during your internet banking session.

42. Transferring funds

- 42.1 Transfers can only be made from eligible accounts that are currently registered. The relevant Product Schedule for each account type will state if an account is eligible. The receiving account can either be held with us or held with another financial institution. Please be aware that when transferring funds, the account name that you are sending funds to is not verified to match the BSB and account identifier (or account number). Caution must be exercised to be sure you are paying the person you are intending to pay.
- 42.2 Where you have a registered account which is a loan account where redraw is available, automatic transfers can be made by internet banking from the loan account to another registered account eligible to receive deposits, subject to the terms and conditions that apply to the loan account.
- 42.3 Subject to any restrictions set out in the applicable Product Schedule, where you have a registered account which is not a loan account you can also make an automatic transfer from your registered account to another account eligible to receive deposits either held with us or another financial institution. You can do this by accessing the internet banking transfer facility.

43. Historical data

- 43.1 Internet banking data may remain accessible to you through internet banking for a period determined by us acting reasonably and in accordance with any relevant law. At our discretion (acting reasonably) we may remove internet banking data from our internet banking system, however in accordance with laws, you may still be able to obtain historical data by contacting us.

Section G: Alert services

This section applies if you activate any alert service using internet banking or the banking application.

In this section and where the context allows, “you” and “your” has its ordinary meaning under these terms and conditions but also includes an authorised user registered to use internet banking.

44. Using alert services

- 44.1 You acknowledge that an authorised user registered to use internet banking may at any time activate the alert service through internet banking or activate push notifications through the banking application and by using the alert service or push notification, may access information on your registered accounts.
- 44.2 You may nominate only one email address for the provision of email services or one mobile telephone number (which is capable of receiving SMS) for the provision of the alert services. This number must be your own mobile telephone number.
- 44.3 You are prohibited from using an alert service for the transmission of any defamatory, offensive, abusive, indecent or harassing material. We may revoke or cancel any alert service without notice should you engage in this type of behaviour.

45. Not used

46. Not used

Section H: BPAY®

This section applies if BPAY is available with your account – see the applicable Product Schedule.

47. BPAY scheme®

- 47.1 We are a member of BPAY. BPAY is an electronic payments scheme through which you can ask us to make payments on your behalf to organisations (“billers”) who participate in the BPAY scheme. We will inform you if we stop being a member of BPAY.
- 47.2 When you tell us to make a BPAY payment, you must give us the information specified below. We will then debit the account you specify with the amount of that BPAY payment.

48. BPAY®

- 48.1 BPAY payments can be made from eligible accounts that are currently listed on your internet banking facility or banking application, provided that:
- BPAY payments can be made from the account – see the relevant Product Schedule;
 - there are sufficient cleared funds or credit available in the account to meet the value of the BPAY payment; and
 - the relevant biller agrees to accept the amount.
- 48.2 BPAY is only available if you are a registered internet banking user.
- 48.3 If there is an inconsistency between any of the other terms and conditions applying to your account and the BPAY conditions, the BPAY conditions will apply to the extent of that inconsistency.
- 48.4 The payer acknowledges that the receipt by a biller of a mistaken or erroneous payment does not or will not constitute under any circumstances part or whole satisfaction of any underlying debt owed between the payer and that biller.

49. Payments

- 49.1 We will not accept an order to stop a BPAY payment once you have instructed us to make that BPAY payment.
- 49.2 You should notify us as soon as possible if you become aware that you may have made a mistake (except for a mistake as to the amount you mean to pay – see below) when instructing us to make a BPAY payment, or if you did not authorise a BPAY payment that has been made from your account. Clause 55 (Liability for mistaken payments, unauthorised transactions and fraud) describes when and how we will arrange for such a BPAY payment (other than in relation to a mistake as to the amount you must pay) to be refunded to you.
- 49.3 Subject to clause 52 (Cut-off times), billers who participate in BPAY have agreed that a BPAY payment you make will be treated as received by the biller to whom it is directed:
- on the date you make that BPAY payment, if you tell us to make the BPAY payment before our payment cut-off time on a business day; or
 - on the next business day, if you tell us to make a BPAY payment after our payment cut-off time on a business day, or on a non-business day.

- 49.4 A delay might occur in processing a BPAY payment where:
- there is a public or bank holiday on the day after you tell us to make a BPAY payment;
 - you tell us to make a BPAY payment either on a day which is not a business day or after the payment cut-off time on a business day;
 - another financial institution participating in BPAY does not comply with its obligations under BPAY; or
 - a biller fails to comply with its obligations under BPAY.
- 49.5 While it is expected that any delay in processing a BPAY payment under this agreement for any reason set out in the clause above will not continue for more than 1 business day, any such delay may continue for a longer period.
- 49.6 You must be careful to ensure that you tell us the correct amount you wish to pay. If you instruct us to make a BPAY payment and you later discover that:
- the amount you told us to pay was greater than the amount you needed to pay, you must contact the biller to obtain a refund of the excess; or
 - the amount you told us to pay was less than the amount you needed to pay, you can make another BPAY payment for the difference between the amount actually paid to a biller and the amount you needed to pay.
- 49.7 When you set up a BPAY payment you may choose to make the payment on a future date. If you have set up a BPAY payment to occur on a future date, you may cancel this payment at least 1 business day before the payment is due to be made.
- 49.8 If you use a credit card account to make a BPAY payment we treat that payment as a credit card transaction.

50. Valid payment direction

- 50.1 We will treat your instruction to make a BPAY payment as valid if, when you give it to us, your correct member number and access code is provided.

51. Information you must give us

- 51.1 To make a BPAY payment you must provide us with the following information:
- your member number and access code;
 - the account from which funds are to be debited;
 - the biller code (this will be recorded on your bill);
 - the biller customer reference number (this will be recorded on your bill);
 - the amount to be paid; and
 - the date the payment is to be made.

You acknowledge that we are not obliged to effect a BPAY payment if you do not give us all of the above information or if any of the information you give us is inaccurate.

52. Cut-off times

- 52.1 If you tell us to make a BPAY payment before the time specified on our website at newcastlepermanent.com.au, it will in most cases be treated as having been made on the same day.

- 52.2 As mentioned above, the payment may take longer to be credited to a biller if you tell us to make a BPAY payment on a Saturday, Sunday, or public holiday or if another participant in BPAY does not process the payment as soon as they receive its details.

53. When a biller cannot process a payment

- 53.1 If we are advised that your BPAY payment cannot be processed by a biller, we will:
- advise you of this;
 - credit your account with the amount of the BPAY payment; and
 - take all reasonable steps to assist you in making the BPAY payment as quickly as possible.

54. BPAY View®

BPAY View is not available on an application issued by us via our internet banking service.

- 54.1 BPAY View enables you to receive your bills from participants of the BPAY scheme electronically. You must register before using BPAY View. You can register by logging onto internet banking and electing to view bills from each nominated biller using BPAY View.
- 54.2 If you register for BPAY View, you agree:
- that we will disclose to each biller nominated by you:
 - your personal information (for example your name, email address and your Newcastle Permanent membership details) as is necessary to enable the biller to verify that you can receive bills and statements electronically using BPAY View; and
 - that an event in clause 54.3 b., c., d., e. or f. has occurred.
 - that we or a biller may collect data about whether you access your emails, internet banking and any link to a bill or statement;
 - to receive bills and statements electronically in order to satisfy the legal obligations (if any) of a biller to give you bills and statements; and
 - that if you register to receive a bill or statement electronically through BPAY View, you are entitled to receive that bill or statement from the applicable biller.

For the purposes of this clause, we will act as the agent for each biller nominated by you under a. above. You must notify us if any of your personal information changes. You consent to us disclosing your updated information to all other participants in BPAY. You can request access to your information held by us, BPAY Pty Ltd or its agent, Cardlink Services Limited ABN 60 003 311 644. If your personal information detailed above is not disclosed to BPAY Pty Ltd or its agent, it will not be possible for you to use BPAY View. You can deregister a biller at any time using internet banking and the biller will be removed from your list of billers and you will no longer receive electronic bills from that biller. The deregistration will become effective immediately.

- 54.3 You may receive paper bills and statements from a biller instead of electronic bills and statements:

- a. at your request to a biller (a fee may be charged by the applicable biller for supplying the paper bill or statement to you if you ask for this in addition to an electronic form);
- b. if you or a biller deregister from BPAY View;
- c. if we receive notification that your email mailbox is full;
- d. if your email address is incorrect or cannot be found and your email is returned to us undelivered;
- e. if we are aware that you are unable to access your email or our service or a link to a bill or statement for any reason;
- f. if any facility necessary to access BPAY View malfunctions or is not available for an extended period.

We are not obligated to provide you with a paper bill or statement in any of these circumstances

- 54.4 You will be notified of receipt of a bill or statement through our internet banking secure mail service, as well as to your nominated email address. If:
- a. you receive an email notifying you that you have a bill or statement, then that bill or statement is received by you:
 - i. when we receive confirmation that your server has received the email notification, whether or not you choose to access your nominated email; and
 - ii. at the email address nominated by you;
 - b. if you receive notification on internet banking without an email then that bill or statement is received by you:
 - i. when a notification is posted on internet banking, whether or not you choose to access internet banking; and
 - ii. on internet banking.
- 54.5 Bills and statements delivered to you by BPAY View may remain accessible through internet banking for a period determined by the biller up to a maximum of 24 months (unless you delete them). After 24 months, they will be deleted, whether paid or not.
- 54.6 You should contact the relevant biller if you have any queries in relation to bills or statements.
- 54.7 If you have registered with a biller for BPAY View, the alert service will also enable you to set up alert services for your bills.
- 54.8 If you register for BPAY View, you must:
- a. check your emails or access internet banking at least once a week;
 - b. tell us if your contact details (including email address) change;
 - c. tell us if you are unable to access your email or internet banking or a link to a bill or statement for any reason; and
 - d. ensure your mailbox can receive notifications (e.g. ensure it has sufficient storage space available).
- 54.9 Unless expressly provided for in these terms and conditions, we are not responsible for arranging or ensuring that any biller you nominate will make bills and statements available to you. If you fail to receive bills and statements from a biller or the bill or statement is not available to be viewed using BPAY View you should contact the applicable biller.

- 54.10 A BPAY View billing error includes:
- a. if you successfully registered with BPAY View:
 - i. failure to give you a bill;
 - ii. failure to give you a bill on time;
 - iii. giving a bill to the wrong person; or
 - iv. giving a bill with incorrect details.
 - b. if your BPAY View deregistration has failed for any reason:
 - i. giving you a bill when you have unsuccessfully attempted to deregister.
- 54.11 If a billing error occurs, you must as soon as possible, upon becoming aware of the billing error, take all reasonable steps to minimise any loss or damage caused by the billing error, including contacting the applicable biller and obtaining a correct copy of the bill.
- 54.12 The party who causes a billing error is responsible for correcting it and paying any charges or interest which would ordinarily be payable to the applicable biller due to any consequential late payment and as a result of the billing error.
- 54.13 You agree for the purposes of clause 54.12 that you are responsible for a billing error if the billing error occurs as a result of an act or omission by a user or the malfunction, failure or incompatibility of computer equipment a user is using at any time when using BPAY View.

55. Liability for mistaken payments, unauthorised transactions and fraud

- 55.1 We will attempt to ensure that BPAY payments are processed promptly by the participants in BPAY, including those billers to whom your BPAY payments are to be made. You must tell us promptly if:
- a. you become aware of any delays or mistakes in processing your BPAY payment; or
 - b. if you did not authorise a BPAY payment that has been made from your account; or
 - c. if you think that you have been fraudulently induced to make a BPAY payment.
- We will attempt to correct any such matters in relation to your BPAY payments in the way described in this clause. If the ePayments Code applies to your account and a BPAY payment is made on your account without your knowledge or consent, liability for that unauthorised BPAY payment will be determined in accordance with the section 'Liability for unauthorised transactions'. Otherwise, except as set out in this clause 55 and clause 59, we will not be liable for any loss or damage you suffer as a result of using BPAY.
- 55.2 If a BPAY payment is made to a person, or for an amount, not in accordance with your instructions (if any), and your account was debited for the amount of that payment, we will credit that amount back to your account. However, if you were responsible for a mistake resulting in that payment and we cannot recover the amount from the person who received it incorrectly within 20 business days, you must pay that amount back to us.
- 55.3 If a BPAY payment is made in accordance with a payment direction which appeared to us to be from you or on your behalf but for which you did not give authority, we will credit your account back with the amount of that unauthorised payment.

However, you must pay us the amount of that unauthorised payment if:

- a. we cannot recover the amount paid to the incorrect party within 20 business days; or
- b. the payment was made under a payment direction which did not comply with our prescribed security procedures for such payment directions.

If we are able to recover part of the amount of that payment from the person who received it, you must only pay us the amount of that payment that we are not able to recover.

- 55.4 If a BPAY payment is induced by the fraud of a person involved in BPAY, then that person should refund you the amount of the fraud-induced payment. However, if that person does not refund you the amount of the fraud-induced payment, you must bear the loss unless some other person involved in BPAY knew of the fraud or would have detected it with reasonable diligence, in which case that person must refund you the amount of the fraud-induced payment that is not refunded to you by the person who induced the fraud.
- 55.5 You must indemnify us against any loss or damage we may suffer due to any claim, demand or action of any kind brought against us arising directly or indirectly because you:
- a. did not observe any of your obligations under the BPAY conditions; or
 - b. acted negligently or fraudulently in connection with other terms and conditions of your account.
- 55.6 If you tell us that a BPAY payment made from your account is unauthorised, you must first give us your written consent to contact the biller who received that BPAY payment, and to obtain information from that biller regarding your account, BPAY payment, your customer reference number and such information as we reasonably require to investigate the BPAY payment. We are not obliged to investigate or rectify any BPAY payment unless you provide us with that consent.

56. No “chargebacks”

- 56.1 With respect to BPAY payments made by credit card, except where a BPAY payment is a mistaken payment referred to in clause 55.2, an unauthorised payment referred to in clause 55.3, or a fraudulent payment referred to in clause 55.4, BPAY payments are irrevocable. No refunds will be provided through BPAY where you have a dispute with the biller about any goods or services you may have agreed to acquire from the biller. Any dispute must be resolved with the biller.
- 56.2 Even when your BPAY payment has been made using a credit card account, no “chargeback” rights are available under BPAY scheme rules.

57. Suspension

- 57.1 We may suspend your right to participate in BPAY at any time.
- 57.2 The circumstances in which we may suspend your right to participate in BPAY include, but are not limited to, if we believe your member number and access code are being used, or will be used, in a way that will cause losses to you or us.

58. Account records

- 58.1 You should check your account records carefully and promptly report to us as soon as you become aware of them any BPAY payments that you think are errors or are BPAY payments that you did not authorise or you think were made by someone else without your permission.

59. Consequential damage

- 59.1 We are not liable for any consequential loss or damage you suffer as a result of using BPAY, other than in relation to any breach of a condition, guarantee or warranty implied or imposed by law in contracts for the supply of goods or services and which may not be excluded, restricted or modified at all or to a limited extent.

Section I: Automatic transfers

This section applies if you can arrange for payments to be made from your account to any other account held by you, or to a third party whether the other account is with us or with another financial institution – see applicable Product Schedule.

For some account types, the use of this payment facility may be limited to automatic transfers to another account held with us. Please see the relevant Product Schedule for the applicable account type for details.

60. Arranging an automatic transfer

- 60.1 You can arrange an automatic transfer by contacting us, via internet banking or by visiting any branch and completing a written authority.
- 60.2 You must give us the information we require to enable us to make a payment. This information may include the BSB and account numbers, and account name of the destination and source accounts (but please note that we do not verify the account name matches the BSB and account number). You must ensure that all information you give to us is correct. We do not check and are not responsible for checking the information provided to us. We will not be liable for any payments we make in accordance with your instructions.

61. Timing of an automatic transfer

- 61.1 Your first automatic transfer will occur on the date you specify. If one of our loan repayment options is selected then the first automatic transfer will not commence until the month after the loan is advanced or the commencing date, whichever is the later.
- 61.2 You must ensure that you have sufficient cleared funds or available credit in your account, from which a payment will be made, to enable that payment to be made. Subject to this section, automatic transfers can be affected at any time on the nominated day. If the payment date falls on a day other than a business day, or where there is no such date in the current month (for example 29th, 30th or 31st), we may process the payment at any time one business day either side of the nominated day (depending on how the automatic transfer was established).
- 61.3 Subject to this section, when you instruct us to make a payment to an account held with another financial institution, we will endeavour to make that payment to the BSB and account numbers you advise us. Payments made using electronic equipment will be processed as soon as possible but may not be processed until the next business day. Payments made to or from accounts with other financial institutions may also be subject to processing cut-off times.
- 61.4 Automatic transfers can be once off payments, or can be scheduled weekly, fortnightly, monthly, every 4 weeks, every two months, quarterly, half yearly or annually. If an automatic transfer is arranged through a branch, payment options may be limited.

- 61.5 If you select one of our loan repayment options with a weekly or fortnightly frequency then the automatic transfer amount will be calculated by dividing the monthly repayment (plus any additional amount requested) by 4 (weekly) or 2 (fortnightly). This means that throughout the year additional payments will be made due to the cumulative effect of additional days within some months.

62. Stopping or altering an automatic transfer

- 62.1 You can arrange for an automatic transfer to be stopped or altered by contacting us.
- 62.2 If you have arranged an automatic transfer using the internet banking transfer facility available through internet banking, you may also stop or alter this automatic transfer through internet banking at least 1 business day before the payment is due to be made.
- 62.3 We may at any time stop an automatic transfer. If we do this, we generally will not be able to notify you that the transfer has been stopped. Your transaction history will show your payments.
- 62.4 You are prohibited from using an automatic transfer for the transmission of any defamatory, offensive, abusive, indecent or harassing material. We may revoke or cancel any automatic transfer without notice should you engage in this type of behaviour.

63. Service standard for automatic transfer service

- 63.1 The automatic transfer service operates in a complex network and we do not control significant elements of that network. When you instruct us to make any automatic transfer, we will use reasonable efforts to cause the transfer to occur, but we are not able to guarantee that transfers will be available at all times or will be completed in any particular period. Payments will usually be delayed by at least 1 business day. We accept no liability for any loss or damage you suffer as a result of using the automatic transfer service or any delay, omission or failure associated with a payment under the transfer service (including those involving another financial institution).

Section J: Personal cheque facility

This section applies if you have a personal cheque facility attached to your account – see applicable Product Schedule.

Access to the personal cheque facility and the issue of a cheque book is subject to our approval. We may conduct a credit check before this facility is made available to you.

64. Issuing and writing cheques

- 64.1 You must be 18 years of age or over to apply for a personal cheque facility. If you are under 18 years of age then the account must be held in joint names with your parent or legal guardian as the other account holder.
- 64.2 You may only write cheques on the forms we supply which are crossed and endorsed "Not Negotiable". All cheques that you write must be completed legibly and must be signed by you or an authorised user in accordance with any instructions you give us in relation to the use of your account.
- 64.3 When writing a cheque, you should always include the amount of the cheque in words as well as figures for security and clarity. You should also:
- not leave gaps between the words or figures;
 - begin the amount in words with a capital letter as close as possible to the words "The sum of" and draw a line from the end of the amount in words to the printed \$;
 - add the words "only" after the amount in words; and
 - begin the amount in figures as close as possible to the printed \$. This can help to reduce the risk of fraud.
- 64.4 You should use a blue or black pen to write a cheque and must not write on a cheque with a pencil or erasable ink.
- 64.5 We may charge you and debit your account with any government charge, impost, levy or any bank fees and charges (other than those which we agree to pay) payable in relation to, or as an incident of, the issue of a cheque by you.
- 64.6 The issuing of a cheque by you or an authorised user authorises us to debit your account with the amount of any cheque signed by you or an authorised user in accordance with the operating instructions on your account. You or an authorised user should only draw a cheque if you have sufficient available funds in your account. It usually takes 3 business days for cheques to clear after they have been deposited, but it may take longer.
- 64.7 You must take all reasonable care to prevent fraud occurring in relation to your cheque facility.

65. What is the effect of crossing a cheque?

- 65.1 Crossing a cheque means drawing two transverse parallel lines from top to bottom on the face of the cheque. When you cross a cheque, you are telling the financial institution that the cheque must be paid into an account with a financial institution and not cashed.

66. What is the meaning of "Not Negotiable"?

- 66.1 The words "not negotiable" between two parallel lines across the face of a cheque means that, where the cheque is transferred, the person who obtains the cheque has no greater rights than the person who transferred it to him or her.
- 66.2 For example, if your cheque has been stolen and passed by a thief to an innocent person, you may be able to recover the amount paid on your cheque from the innocent person (or the thief if they are found) – this is because the thief has no rights to the cheque and therefore has passed no rights to the innocent person.

67. What is the meaning of "Account Payee Only"?

- 67.1 These words on a cheque are a warning to a financial institution with which the cheque is deposited that the cheque should be paid only to an account in the name of the person named in the cheque as payee.

68. What is the significance of deleting "or bearer"?

- 68.1 The words "or bearer" mean that (except in the case where the cheque is crossed and must therefore be collected by a financial institution) the financial institution on which the cheque is drawn has authority to pay it to any person in possession of it even if that person found it or stole it, unless the financial institution has reason to suspect that the cheque might have fallen into the wrong hands. If you delete these words, the cheque becomes an "order" cheque.
- 68.2 If a cheque is an "order" cheque then (except in cases where the cheque is crossed and must therefore be collected by a financial institution) the financial institution on which the cheque is drawn should only pay it:
- to the named payee; or
 - to any other person to whom the named payee, by endorsing the cheque on the reverse side, has ordered it to be paid.

69. Stopping your cheque

- 69.1 You may request payment to be stopped on a cheque which has not yet been presented for payment as long as you pay any charges we may impose for this service. For full details refer to the applicable Product Schedule.
- 69.2 To stop a cheque you must contact us to confirm your instructions. You should identify the cheque clearly by telling us the name of the account, the amount of the cheque, the number and date of the cheque and the name of the payee.

70. Dishonouring cheques

- 70.1 We may, at our discretion, dishonour a cheque if:
- a. you have insufficient cleared funds in your account to cover the cheque or honouring the cheque would mean the balance of your account exceeds your credit limit;
 - b. the cheque has not been completed correctly or is incomplete (including but not limited to where a cheque is unsigned, undated, post dated, stale or has no payee stated or has been materially altered and where you have not authorised the alteration);
 - c. you have instructed us to stop payment on the cheque;
 - d. your account has been closed or your cheque facility cancelled; or
 - e. we have received notice of your mental incapacity, bankruptcy or death.
- 70.2 We are entitled to charge a fee if we dishonour a cheque drawn on your account. The current amount of this fee is set out in the applicable Product Schedule.

71. Exceeding your available balance

- 71.1 If for any reason we honour a cheque which exceeds the cleared funds in your account or results in the balance of your account exceeding your credit limit (or is presented after your account is closed or your cheque facility is cancelled), then you will owe us the outstanding amount. This is not an agreement by us to provide you with credit. This debt is payable immediately to us together with any interest and costs or expenses we may incur in the collection of this debt.

72. Our liability

- 72.1 In addition to any matters already outlined within these terms and conditions, we accept no liability for:
- a. any delay or failure in effecting a transaction on your behalf;
 - b. any act or transaction performed or effected by us in good faith on your behalf; or
 - c. the dishonour or failure to dishonour any cheque drawn by you.

Section K: Passbooks

This section applies if you have a passbook attached to your account – see the applicable Product Schedule.

73. About your passbook

- 73.1 If your account is a passbook account, your passbook is a record of the transactions on your account. Each time you present your passbook to us we will record particulars of each transaction on your account including the amount of the transaction and the current balance of your account. You should present your passbook each time you make a deposit or withdrawal at one of our branches. Failure to produce your passbook may result in the transaction being declined.
- 73.2 By opening a passbook account with us, you agree that:
- a. we will enter particulars of each transaction involving your account including the amount of the transaction and the current balance of your account when you present your passbook to us; and
 - b. the passbook is the facility through which confirmation of transactions on your account will be provided to you.
